CLASS HISTORY

It was on the day of September 9, 1929 that we Seniors had our taste of school. Evidently we liked it, for we are still here in 1941.

Under the excellent guidance of Miss Gladys Fuller we passed from the first to the second grade. Those who started in the first grade at Brunswick and are still with us are Clara Zsarnay, Lois Cadnum, Earnest Smith, Clifford Mone, Edward Morlock, and George Wienczek.

Nothing very exciting happened during our first ten years, with the exception of our gaining many new pupils and losing others.

In our Junior year we presented a class play, "Hullabaloo", a comedy in three acts, which was a great success.

Now, as Seniors, we are eagerly awaiting our graduation which will take place on May 28. The persons present in our class now are Clara Zsarnay, Josephine Darnell, Shirley Gray, Lois Cadnum, Joseph Bailey, George Wienczek, Edward Morlock, Earnest Smith, Arthur Hirsch, Harry Gray, Clifford Mone, and Paul Heckler. Our class officers are:

President.....	Earnest Smith
Vice President.....	Clifford Mone
Secretary.....	Josephine Darnell

Dear George,

I heard all about your swell job as an electrical engineer. Congratulations! I knew you'd make it.

I met Joe Bailey (remember him?) in Hawaii last summer when I was on my vacation. He was the Swing Guitarist in Ray Kinney's Orchestra.

By the way, did you hear that Shirley Gray is on a world tour? She's playing a piano in all the largest cities and doing a very good job.

Last week I had a luncheon engagement with Harry Gray, the great Automotive Engineer. He took me to see his factory in Columbus. He told me that Mip flew up to see him in his new Observation Plane that the government bought him for his Airport at Valley City. He's building it up to make it the largest Municipal Airport in Medina County.

Private Paul Heckler was seen trying to boss the Top Sergeant around. He's in the Army now. Lois met him down there, when she was on her vacation from Lutheran Hospital where she is a nurse. She was visiting her fiance.

Josephine Darnell is living a happily married life, and is learning how to boil water without burning it.

Clara Zarnay is leading the life of a Beautician in her own beauty parlor and doing very well.

Eddie Morlock wrote me a letter the other day. I don't know if you heard or not, but he became a retired scholar after graduation.

Art Hirsch is still living the Happy life of a bachelor.

I am enclosing my address, so please answer soon.

Our Junior year we have found to be the most interesting of all our high school years, with one activity after another.

At the beginning of the year we elected our class officers. They were as follows:

President..... John Kilgore
Vice President..... Margaret Overholt
Secretary..... Evelyn Ferenbaugh
Treasure..... Marion Waring

We have received our class rings this year and are very much pleased with them.

The first of our activities was the sponsoring of a roller skating party at Royalton. Next came the class play, "Meet the Folks," which was a huge success.

Like all Junior classes we are determined to out-do the class before us in planning our Junior-Senior banquet, so that we may entertain the Seniors in a stately style.

With the end of this year rapidly approaching, we now look forward to next year when we will be Seniors.

In September of 1939, Richard Mone, Mary Wiencek, Wilbert Geiss, Franklin Tibbits, Jean Frantz, and Edward Scheiman answered to the roll call. They are still continuing in their Sophomore year. During their Elementary and Junior High School years, many pupils enrolled and unfortunately many also left. Those pictured above are the only ones remaining in the Sophomore Class.

Our Varsity Men

During the season of '41, Brunswick fans have witnessed one of the finest basketball teams our Coach has ever turned out.

The fellows have been active throughout the entire season during which they kept in excellent condition so they could participate in every game on schedule. Our first team, consisting of six seniors, will be a great loss to us.

In memory of Kip Mone, Ed Morlock, Paul Heckler, Earnie Smith, Harry Gray, and Art Hirsch whose loyalty and respect for Brunswick kept them going, we dedicate this bit to them, a real squad who has what it takes.

Ruth Hirsch, Lois Spieth, Mettie Hawke, Eileen Bauer, Pauline Charvat, Jacqueline Stewart, Dolores Hayes.

The Girls Athletic Club

The G. A. C. of Brunswick High School was organized on December 5, 1935.

The primary purpose of the club is to develop the ideals of good fellowship, real sportsmanship, fair play and recreation habits; to promote interest and participation in games and athletics.

Freshmen members are entitled to club pins; the sophomores, numerals; the juniors, letters and the seniors, tokens of some sort,

This year the following girls will receive awards: Lois Spieth, Ruth Hirsch, Jacqueline Stewart, Pauline Charvat, Joan Luses, Mettie Hawke, Betty Renner, Mildred Truax, Betty Crawford, Dolores Hayes, Doris Hogue, Marion Waring, Evelyn Smith, Luella Roe, Shirley Gray, Harriet Myers, and Evelyn Koran.

It is through a school paper that one can discover a person's talents, can find out public opinion, and the interest of the members of the staff in putting out publications.

It was through the untiring efforts of previous seniors that the Broadcaster has progressed, and we, the members of the staff owe our thanks and wholehearted appreciation to them and to Miss Gallagher, our advisor this year.

The work on the Broadcaster this year has been fun, and educational. To the future editors and staff members, we wish great success in keeping up the Broadcaster, for it will last for many years, and it is the best of extra-curricular activities.

The body represents the physical work done by members, the mind-the mental work, and the spirit, the religious work. The purpose of the club is to find and give the best. Most of our meetings consist of a short religious service followed by a business meeting. Our officers this year are as follows:

President..... Lois Cadnum

WATCH ELECTRIC CORDS

Wiring Should Be Done by Experts - Not by Amateurs

If your house harbors electric extension cords which run under the rugs, or defective switches and sockets which make the lights flicker, or electric wiring which is too small to carry the load, you stand a very good chance of a short circuit and possibly a fire.

It is easy for a fire to start when an electric cord under the carpeting becomes worn, perhaps by a rocker, with a resulting short circuit and flash which is sufficient to ignite the floor covering.

Home wiring by amateurs is as dangerous as the practice of dropping wires, not encased in suitable conduits, inside of partitions. Any electrical repairs or extensions should be made by a qualified electrician. The family handyman isn't qualified to do a safe electrical job.

Many persons fail to realize that a certain size wire can carry just so many lights and appliances. When too much of a load is put on one circuit the wire is liable to become heated, burn off the insulation and ignite any combustible material in the vicinity.

A big decrease in loss from fire can be accomplished when homeowners apply care in electric wiring.
